

end_of_file_reached

```
graph LR; A[end_of_file_reached] --> B[clear_env_list]
```

A flowchart with two rectangular boxes. The left box is gray and contains the text 'end_of_file_reached'. A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains the text 'clear_env_list'.

clear_env_list
